

**For a Hazelwood audition, the following is required:**

1. Please prepare an a capella solo song that shows your voice to best advantage. Classical repertoire is preferred, but any song of your choosing is acceptable. If you do not have a song at your audition, you will be asked to sing the "Star Spangled Banner."
2. You will be asked to sing scales to demonstrate your range.
3. It is preferred that you have some sight-reading ability. Sight reading will be offered in two ways. You will be given single lines of music with a starting pitch and key, and you will sing these lines on your own.
4. For tonal memory, several examples will be played on the piano and you will be asked to sing back what you hear.
